

Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Tuesday 09 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Further snow showers, especially in the east. Windy at times.

This Evening and Tonight:

Scattered snow showers overnight, especially across eastern areas, but also some clear spells. Feeling very cold in the brisk winds, which may touch gale force around coasts. Minimum temperature -4 deg C (25 deg F).

Wednesday:

Some bright or sunny intervals, but further snow showers, these mainly in the east with many western parts staying dry. Winds easing through the day but still very cold. Maximum temperature 2 deg C (36 deg F).

Outlook for Thursday to Saturday:

Drier and brighter during Thursday with mostly light winds. Cloudier at times Friday and Saturday with freshening southeast winds, and perhaps some coastal snow showers on Friday. Staying very cold.
